

# Print Instructions for IJF/EJU Backnumbers

- 12 to 13 letters are available, depending on their width.
- The surname must be printed.
- The first name may be left out.
- All the letters need to be visible in their entirety and a blue margin has to be visible on both sides
- If the surname is too long, it needs to be shortened at the end (on the right).
- The first name may be used if it fits in front of the surname including a blank space.
- A middle name may be used if it fits in front of the surname including blank spaces (and a possible hyphen between the first and middle names).
- The first letter of the first name may be placed in front of the surname with a full stop in between.
  
- **The person placing the order is responsible for the spelling of the names! He or she can always check the result in the preview!**
- **The print design can no longer be changed once it has been placed in the shopping cart. The process in this case needs to be cancelled and started over again.**
- **Customer complaints concerning incorrect spellings can not be accepted!**
